

# KOMATSU®

## Product data

### Forestry Quality™

**Komatsu DG** is a cold degreaser for degreasing, desalination and cleaning of heavily soiled parts.

**Komatsu DG** is a cleaning agent based on white spirit, for heavily soiled parts. Dissolves and effectively removes asphalt spots, road salt, grease and oil.

**Komatsu DG** is recommended for degreasing of vehicles, engines, machine parts, workshop floors, pits, etc. Applied by brushing, dipping or spraying with low pressure, wait a few minutes, rinse with water.

**NOTE!** When used indoors ensure that adequate ventilation exists. The product can damage the construction and improvement painted surfaces. Do not spray on hot surfaces.

**Description:** Colorless to slightly yellow

#### Properties:

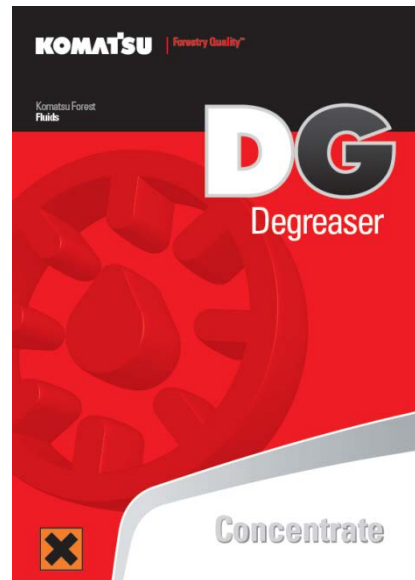

Density at 15 °C (kg/cm<sup>3</sup>) 785

Flash point (°C) 61

Aromatics (vol%) 5
